

The Essex County Darts Organisation are deeply saddened by the recent passing of Julie Vickers following her battle with illness in recent years

Julie has with her association within the Essex County Darts Organisation undertaken many roles within the Superleagues and County Organisation as a Superleague and County Player, Team Captain, Official and Ladies Treasurer.

Julie has been an Official for the England Darts Organisation at events as recent as last month and is awarded the British Darts Organisation Lady Officials award for 2016 but will sadly not be presented with this in person.

Our sympathies go to Don, Craig, Jason and all family members at this sad time of mourning.

On behalf of all the Essex County Darts members, colleagues and friends.
