

ESSEX COUNTY MISSING GAMES

Over the past 8 years I've been compiling a document of Essex Players playing history for the senior county team, from the start in 1975 to the present day. The 1984/5 season onwards I'm complete, except for one player, Peter Mulreany average from London in 1992 in the Man of the Match game (*for one season only, each teams MoM's played each other for points*). Therefore listed below are all the games that I have information missing; I require any completed programmes or score sheets, this would be greatly appreciated & enable me to complete the history.
