## Division 2 History from 1963/1964

### 25 Seasons... 20 Winners...

The 18-team league decided to try-out having two divisions for the 1963/64 season; this lasted only one-season as the then landlords were unhappy having less games at home... The original division 2 perpetual cup was the Spread Eagle Cup named after the first winners and donated by "H. EADES & SONS LTD BRENTWOOD". The cup is now used as the Secretaries KO winner...

In 1993 the 2<sup>nd</sup> Division returned after 30 years; a new trophy was purchased in 1999 and had the engraving backdated to 1993/4; however in 2006 the trophy was lost while the Horse & Groom was closed for refurbishment; in 2008 Douglas White donated a replacement cup...
